

Zero Emissions Vehicle (ZEV) Subsidy

Portal User Guide

Creating a Subsidy Application
for individual customers

The purpose of this guide is to walk you through the process of registering as a ZEV Trader standard user in the portal and completing an order for a Zero Emissions Vehicle Subsidy on behalf of your individual customers.

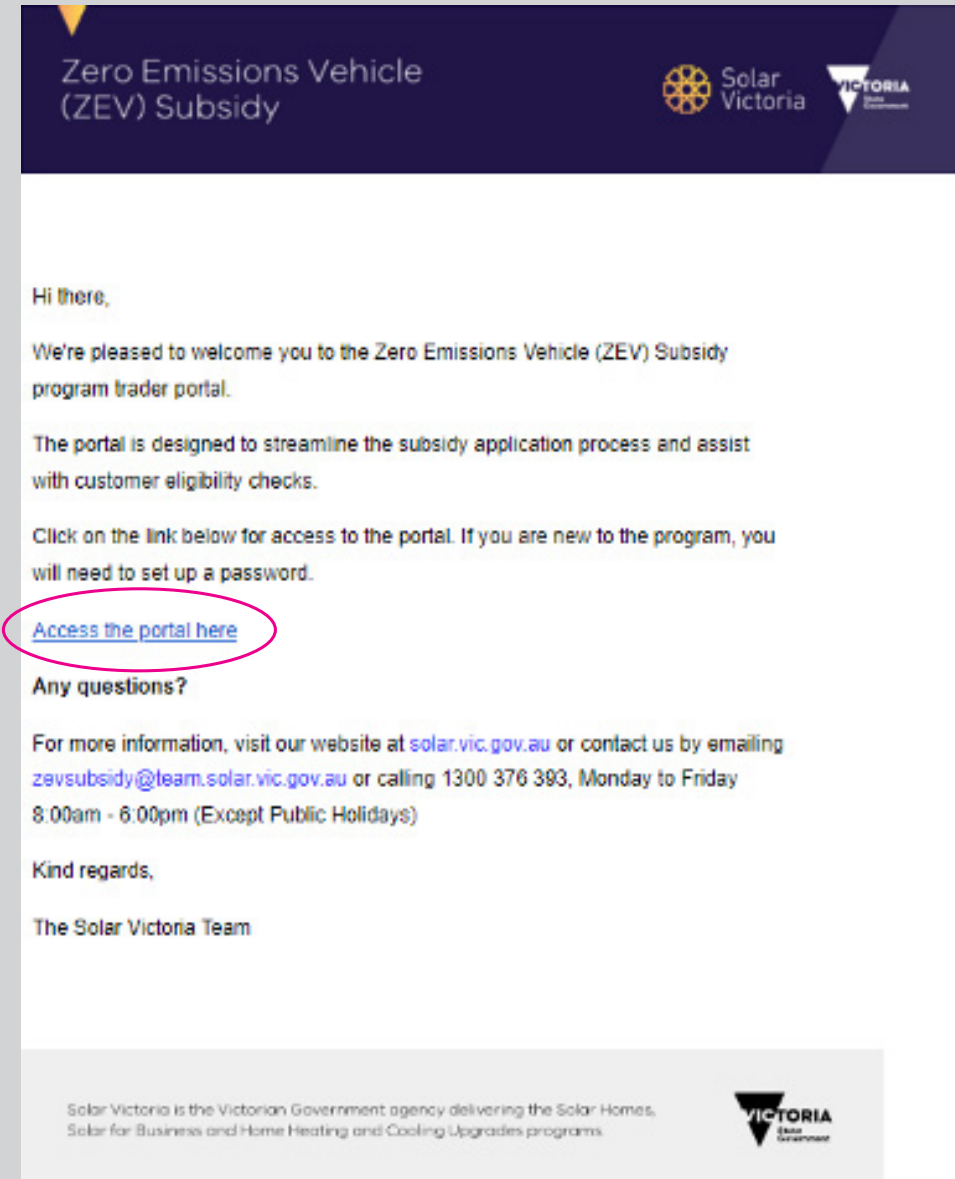

You can create and keep track of subsidy orders and see details about remaining subsidies in the portal.

Contents

Automated invitation email

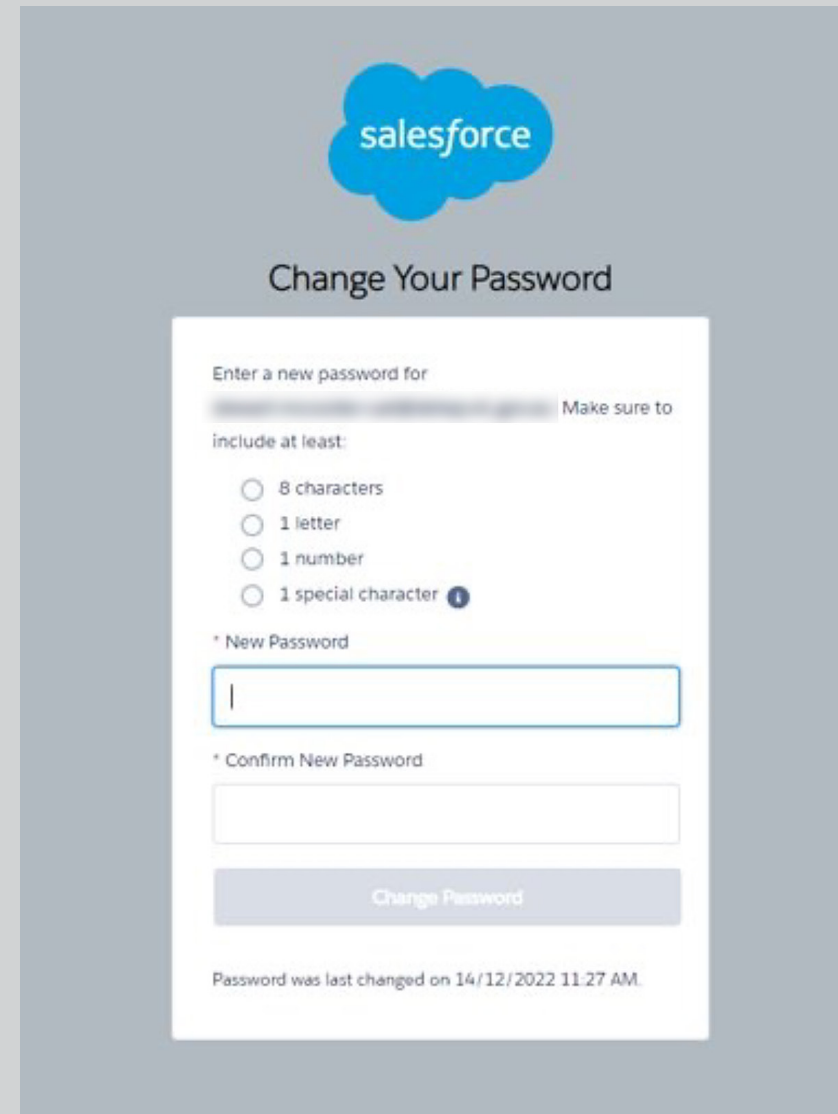

Click the link in the registration email to begin the registration process as a standard portal user.

Log onto the portal

Create a password that conforms with the following password rules:

- at least eight characters long
- must have one letter
- must have one number
- must have one special character (e.g. !,@,\$)

The screenshot shows the Salesforce 'Change Your Password' interface. At the top is the Salesforce logo. Below it, the title 'Change Your Password' is centered. The form contains the following elements:

- A text input field for the current password, followed by the text 'Make sure to'.
- The instruction 'include at least:' followed by four radio button options:
 - 8 characters
 - 1 letter
 - 1 number
 - 1 special character ⓘ
- A label '* New Password' above a text input field.
- A label '* Confirm New Password' above another text input field.
- A 'Change Password' button.
- A status message at the bottom: 'Password was last changed on 14/12/2022 11:27 AM.'

The home screen

After you log in you can access the home screen. The home screen displays:

- the number of subsidies remaining in the current release;
- a summary of your dealership's subsidy applications and their statuses;
- links to ZEV trader resources.

You can also view and edit your account details and view applications based on their expiry statuses.

You can search the data in the list by entering the search criteria in the search box on the right side.

My Account

When you click on 'View My Account' the administrator can add additional standard users by clicking on the 'New Contact' box in the right hand corner.

You can also update banking details here.

Welcome to the ZEV Portal, Stewart Dealer User

Address Information

New Contact **Update Bank Details**

Start a new application or access an existing one

- 1 To create a new application or open an existing application go to the **Subsidy Requests** tab at the top of the page.
- 2 Select if you would like to create a new application, or open an existing one. Note: For a new application you must accept the terms and conditions.

The screenshot shows a web interface for the ZEV Trader Subsidy Request Process. At the top, there is a navigation bar with tabs: Home, Subsidy Request (highlighted with a yellow circle and the number 1), Orders, Assessment, and Completed. Below the navigation bar, the main content area has a yellow decorative triangle on the left. The heading is "Welcome to the ZEV Trader Subsidy Request Process". Below the heading, there is a question: "Is this for a new or an existing application?". Underneath, there is a dropdown menu with the text "* Please Choose" and "Start a new application" (highlighted with a yellow circle and the number 2). To the right of the dropdown is a blue "Begin" button. At the bottom of the form, there is a small note: "Please do not navigate away from this page until you have completed the form."

About the Customer

1 Select the customer 'Type' from the dropdown list.

Enter customer details

2 For individual customers enter the customer details, then enter their nine-digit driver licence number.

3 Next enter the customer's address. If the address does not appear automatically you can enter it manually.

Proceed with subsidy

Proceed if contract of sale details are available, save and exit if not.

Should you save and exit you will have 14 calendar days to upload contract of sale details.

If you fail to upload details in time your subsidy will lapse and you will be required to re-enter customer details to create a new application request.

Enter the vehicle and order details

- 1 Next select the car manufacturer from the dropdown list, followed by the car model.

Enter the purchase price

- 2 Provide details of the car sale, including uploading of contract of sale and indicate whether it is a new vehicle or Demonstration Model.
- 3 The 'Purchase price' is the dutiable value of the sale and must be under the eligible cap of \$68,740. The dutiable value includes:
 - all manufacturer and dealership accessory add-ons
 - dealer delivery fees
 - GST.

The purchase price does not include:

- the subsidy amount to be discounted
- stamp duty, registration and compulsory third party-insurance costs.

If the purchase price entered is above the eligible cap, you will not be able to proceed.

- 4 Upload the Contract of Sale. Please ensure you itemise the 'Vic Gov ZEV Subsidy' and amount on the Tax Invoice.

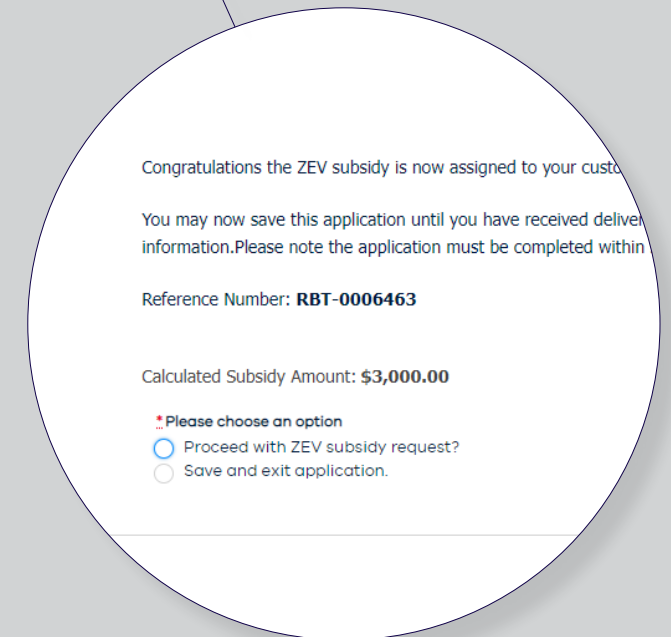

The screenshot shows the 'Vehicle Manufacturer' form. The navigation bar at the top includes 'Home', 'Subsidy Request', 'Orders', 'Assessment', and 'Completed'. The left sidebar shows a progress indicator with 'About The Customer' completed and 'About The Vehicle' selected. The main content area has a 'Manufacturer' dropdown menu with a red circle '1' next to it. The dropdown is currently set to '--None--'. Below the dropdown is a 'Continue' button. A footer note reads: 'Please do not navigate away from this page until you have completed the form.'

The screenshot shows the 'Information About the Vehicle' form. The navigation bar at the top includes 'Subsidy Request', 'Orders', 'Assessment', and 'Completed'. The left sidebar shows a progress indicator with 'About The Customer' completed and 'About The Vehicle' selected. The main content area has several fields: 'Order Reference' (red circle '2'), 'Order Date' (calendar icon), and 'Purchase Price' (red circle '3'). Below these are checkboxes for 'Is the vehicle new?' and 'Is the vehicle a demonstrator model?'. There is a section for uploading a 'Contract of Sale Document' with a red circle '4' next to the 'Upload Files' button. A footer note reads: 'Please do not navigate away from this page until you have completed the form.'

Proceed with subsidy

Proceed if car registration details are available, save and exit if not.

The screenshot shows a web interface for a subsidy application. At the top, there is a navigation bar with four tabs: 'Subsidy Request', 'Orders', 'Assessment', and 'Completed'. Below the navigation bar, the main heading is 'Proceed with Subsidy Request?'. On the left side, there is a vertical breadcrumb trail with four items: 'About The Customer', 'About The Vehicle', 'Vehicle Details', and 'Completed'. The 'About The Vehicle' item is currently selected. To the right of the breadcrumb trail, there are two columns of form fields. The first column contains 'Manufacturer', 'Model Name', and 'Details'. The second column contains a 'Proceed' button. Below the form fields, there is a confirmation message: 'Congratulations the ZEV subsidy is now assigned to your customer!'. This is followed by a note: 'You may now save this application until you have received delivery of the vehicle or continue to enter the vehicle registration information. Please note the application must be completed within six months of the order date.' Below this note, the 'Reference Number' is displayed as 'RBT-0006463'. The 'Calculated Subsidy Amount' is shown as '\$3,000.00'. At the bottom, there is a section titled '*Please choose an option' with two radio button options: 'Proceed with ZEV subsidy request?' (which is selected) and 'Save and exit application.'. A 'Next' button is located at the bottom right of the form.

Car sale details

- 1 Provide car sale details, details of finance leasing (if the vehicle is purchased under a leasing arrangement) and odometer for demonstrator models (if the vehicle purchased was a demonstration model). If the vehicle was purchased under a leasing arrangement select if it is a novated lease.

Certificate of Registration and Tax Invoice

- 2 Upload the Certificate of Registration followed by the Tax Invoice. Please ensure you itemise the 'Vic Gov ZEV Subsidy' and amount on the Tax Invoice. You will also need to upload the Transfer of Ownership Certificate if the vehicle is a demonstration model.

The screenshot shows the 'Please Enter Vehicle Information' form. The navigation bar at the top includes 'Home', 'Subsidy Request', 'Orders', 'Assessment', and 'Completed'. The left sidebar shows a progress indicator with 'About The Customer', 'About The Vehicle', 'Vehicle Details', and 'Finished'. The 'Vehicle Information' section is active, listing 'Certificate of Registration', 'Tax Invoice', 'Transfer Of Ownership', 'Additional Documents', and 'Application Review'. The main form area contains a 'VIN' field with a red border and a '1' inside, a 'Registration Date' field, checkboxes for 'Registered in Victoria?', 'Is the vehicle purchased under a leasing arrangement?', and 'Has the vehicle been held for less than 12 months after it has been initially registered?'. There are also input fields for '* Final Purchase Price' and '* Odometer Reading'. A 'Continue' button is at the bottom right. A note at the bottom says 'Please do not navigate away from this page until you have completed the form.'

The screenshot shows the 'Please Upload a Certificate of Registration' form. The navigation bar at the top includes 'Home', 'Subsidy Request', 'Orders', 'Assessment', and 'Completed'. The left sidebar shows a progress indicator with 'About The Customer', 'About The Vehicle', 'Vehicle Details', and 'Finished'. The 'Certificate of Registration' section is active, listing 'Vehicle information', 'Certificate of Registration', 'Tax Invoice', 'Transfer Of Ownership', 'Remittance Statement', 'Additional Documents', and 'Application Review'. The main form area contains the instruction 'Please upload the Certificate of Registration document.' and 'This is a mandatory requirement. You may upload a single file, or multiple files of these types: PNG, JPG, JPEG, DOC, DOCX, and PDF'. There is an 'Upload Files' button and 'Or drop files' text. Below is a 'Title' field with the value 'ZEV008_User Guide_Standard User (6)'. A 'Continue' button is at the bottom right. A note at the bottom says 'Please do not navigate away from this page until you have completed the form.'

Confirm details

- 1 Check the box to confirm all details are correct, then click 'Submit for approval.'

You will then see in the status appear as 'Registration completed.'

No edits can be made after submitting.

Changing subsidy applications

- 1 To change subsidy applications with a status **Completed About Customer** (About the Customer screen submitted), click on the down arrow in top left-hand corner of screen and select **LMCT – Completed About Customer**.
- 2 Select the applicable **Subsidy Request Reference Number**.
- 3 Click the **Resume Subsidy** Application button in top right corner of page

Cancelling a Subsidy Application

You can cancel an order if you no longer wish to proceed .

- 1 On the 'Orders' screen, select the rebate reference number you wish to cancel and select '**Cancel Subsidy Request**'. You will only be able to cancel orders in the **Completed About Customer** and **Order Submitted** status.

If you wish to cancel an order in another status please contact Solar Victoria via: zevsubsidy@team.solar.vic.gov.au

- 2 Once a reason is selected/entered, the subsidy application will move to the 'Completed' tab, with the status now 'Cancelled'.

You can re-use the details to create a new application.

Editing a Subsidy Application

You can edit a customer's address, should their address change since adding it to the portal

- 1 On the 'Orders' screen, select the rebate reference number you wish to edit and click the pencil icon adjacent to the customers address

You will only be able to edit the customers address in the **Completed About Customer** and **Order Submitted** Status.

- 2 Manually enter full customers address then click **Save**.

The screenshot displays the 'Rebate Request' form for reference number RBT-0006376. The form is divided into several sections: Reference Information, Customer Information, and Order Details. The 'Address' field under 'Customer Information' is highlighted with a blue border and a pencil icon, with a yellow circle '1' next to it. The 'Save' button at the bottom right is highlighted with a yellow circle '2'. A 'Resume Subsidy Application' button is located in the top right corner.

Expiring and Expired Applications

You will see orders that are due to expire in the next four weeks on the home screen.

- 1 Each order should be completed with registration details within 6 months.

If this does not happen, the Application will be expired and move to the 'Completed' tab, with the status set to 'Expired'.

The screenshot shows the 'Completed' tab of the ZEV Subsidy Portal. The page title is 'LMCT - Completed'. Below the title, there is a search bar and a 'Printable View' button. The main content is a table with 10 items, sorted by Reference Number. The table columns are: Reference Number, Order Number, Date, Status, Eligible ZEV Make and Model, Vehicle Identification Number, Payment Status, Created By, Created Date, Customer, and Applicant. The 'Expired' status is highlighted in yellow for order RBT-0006373.

Reviewing Applications

Solar Victoria receives your subsidy Application and validates the details.

The 'Assessment' screen lists a summary of your Applications. These Applications are currently being assessed for eligibility to receive the ZEV Subsidy.

- 1 The status for each Application is set to 'Registration completed' by default. There are two outcomes for every Application at this stage:
 1. Approved.
 2. Requires additional information.

Approved applications

1 If all details are verified as eligible, Solar Victoria will set the subsidy Application to 'Approved' in the 'Assessment' screen and process the payment.

You can also filter and sort Applications on this screen.

2 Each Application will move through the portal process to the 'Completed' screen.

This screen lists the Applications that have been approved, as well as the status of the ZEV Subsidy payment.

Additional information required

If you are asked to provide more information, the Application status will be set to 'Requires additional information' in the 'Assessment' screen.

You will receive an email with the status, a short description and comments to explain the information required (if required).

This information will also be viewable when reviewing the application

- 1 To upload the additional Documents click the **Upload Additional Documents** button.

Upload the requested documentation. Once submitted, Status will change to Registration Complete. Solar Victoria will re-assess the information.

Payment

Payment will be processed and paid to your dealership's nominated bank account.

If the payment fails, Solar Victoria will ask your Admin user to update bank details and reprocess the payment.

- 1 The status of the Application will now be 'Payment processed' or 'Payment failed' in the 'Completed' screen.

Payment rejected

- 2 If you are unable to provide the additional information, or if Solar Victoria assesses that details provided do not qualify for subsidy, the application will be rejected and no payment will be made.

The status of the Application will now be 'Rejected' in the 'Completed' screen.

You will receive an email to confirm this status, along with a short description and comments (if required).

Viewing payment details

- 1 On the home screen click the **View Report** button under the dealership activity bar graph
- 2 To correlate your payments received, to your subsidy requests, refer to the 'Payment Date' column.
- 3 You are able to export this data as an .xls or .csv file, by clicking on the 'Export' button in top right hand corner.
